REPORTING ISSUER: Medical Facilities Corporation

REPORT FOR END OF: March 2006

REPORT OF SHARE PURCHASES:

Mackenzie Financial Corporation ("Mackenzie") reports that as a result of purchases of Income Participating Securities ("IPS") of Medical Facilities Corporation ("Medical Facilities") by one or more of its mutual fund and private client managed accounts, the aggregate number of IPS of Medical Facilities held by Mackenzie's managed accounts at the end of March 2006 was 4,971,300 representing approximately 17.8% of all outstanding IPS.

CHANGE FROM PREVIOUS REPORT:

Mackenzie's previous report dated September 09, 2005 reported holdings of 4,187,300 IPS of Medical Facilities representing approximately 15.2% of all the outstanding IPS on behalf of Mackenzie's mutual fund and private client managed accounts as at August 2005. Since August 2005 there has been an increase of 784,000 IPS within Mackenzie's mutual fund and private client managed accounts or approximately 2.6% of the total outstanding IPS held within Mackenzie's mutual fund and private client managed accounts.

BENEFICIAL OWNERSHIP, CONTROL OR DIRECTION:

Mackenzie specifically disclaims any beneficial ownership of the reported IPS, but as investment manager it maintains exclusive power to exercise investment control or direction over such IPS for its managed accounts as the beneficial owners.

PURPOSE OF THE REPORT:

The IPS were acquired in the ordinary course of business, for investment purposes only and not for the purpose of exercising control or direction over Medical Facilities. Mackenzie managed accounts may from time to time acquire additional IPS, dispose of some or all of the existing or additional IPS or may continue to hold the IPS.

RELIANCE ON EXEMPTION:

This report is issued under the Alternative Monthly Reporting System described in National Instrument 62 - 103. Neither Mackenzie nor any of its managed accounts presently intend to:

- a) make a formal take-over bid for any shares of Medical Facilities;
- b) propose a transaction that would constitute a take-over bid in reliance on an exemption in the Securities Act (Ontario); or
- c) propose a reorganization, amalgamation, merger, arrangement or similar business combination with Medical Facilities which would result in Mackenzie's managed accounts controlling the company, alone or with others.

CERTIFICATION:

To the best of its knowledge:

- a) Mackenzie and its managed accounts do not in the ordinary course of business receive material facts or changes about Medical Facilities which have not been publicly disclosed;
- b) Mackenzie is eligible to file this Alternative Monthly Reporting System report pursuant to the National Instrument;
- c) Mackenzie is not a joint actor with anyone else in connection with this report; and
- d) Mackenzie and its managed accounts have not entered into any agreements with Medical Facilities in connection with the purchase.
